DECLARATION OF CONFORMITY

Manufacturer: DPA Microphones A/S
Address: 42-44 Gydevang
DK 3450 Allerød
Denmark

The manufacturer hereby declares under his sole responsibility that all products supplied by DPA Microphones A/S meet the requirements of the Directive 2012/19/EC on the Waste from Electrical and Electronic Equipment (WEEE).

WEEE	
Directive 2012/19/EC	Waste from Electrical and Electronic Equipment

This means that all DPA products, which must be recycled or handled separately, are marked with the WEEE label in accordance with the Directive.

In addition, DPA Microphones A/S accept scrapped equipment from customers and sort it for waste disposal. Used equipment returned to DPA for service may also be scrapped in accordance with the Directive. However, it is not legal to ship waste products across country borders for disposal.

DPA distributors are obliged to register waste in accordance with their national legislation, which may also require them to accept scrapped equipment from end users and dispose of it according to their national laws.

DECLARATION OF CONFORMITY

Manufacturer: DPA Microphones A/S
Address: 42-44 Gydevang
 DK 3450 Allerød
 Denmark

The manufacturer hereby declares under his sole responsibility that no products manufactured by us discharge, under normal reasonable use, any dangerous substances for human health nor the environment.

DPA Microphones A/S is a designated "downstream user" as product manufacturer, using low quantities and are therefore not subject to registration. DPA Microphones A/S deliver exclusively non-chemical products. These contain no substances intended to be released according to REACH article 7(1) in normal or reasonably predictable conditions of use.

REACH	
Regulation 1907/2006/CE	Registration, Evaluation, Authorisation and Restriction of Chemicals

Further, we confirm that none of our products contain, at today's level of awareness, any of the substances published in the candidate list (article 95(1), issue March 30th, 2010) by the European Chemicals Agency (ECHA) in a concentration of more than 0.1 mass percent (SVHC).
